Product Description

The JB6610HD Miter Master Extra Large Capacity Cutter Made in Germany Unit has a built in leverage mechanism to help cutting harder materials. Longer blade for cutting wider materials. Cutter is precise with clean miter cuts in slats, profiles, plastic, rubber or wooden materials. It is one of the best hand held miter cutter available. The unbreakable razor sharp blade cuts across the grain with clean, smooth shaving action and it is as easy to use as a pair of scissors! It has 45 degree miter fence for angle cuts. Will handle thick and wide stock. Especially designed for the professional carpenter, carpet installer, builder, craftsman or hobbyist. Cutting of angles made easy on wood, rubber and plastic. The Miter Master saves time. Cutting capacity 25/64" x 2-3/4" at 45
