### Product Description

**The JB6610 Miter Master Extra Large Capacity Cutter Made in Germany** This unit has a larger jaw opening which is designed to open for large moldings. This longer blade is precise with clean miter cuts in slats, profiles, plastic, rubber or wooden materials. It is one of the best hand held miter cutter available. The unbreakable razor sharp blade cuts across the grain with clean, smooth shaving action and it is as easy to use as a pair of scissors! It has 45 degree miter fence for angle cuts. Will handle thick and wide stock. Especially designed for the professional carpenter, carpet installer, builder, craftsman or hobbyist. Cutting of angles made easy on wood, rubber and plastic. The Miter Master saves time. Cutting capacity 13/16" x 2-3/4" at 45 degree
