

Klenk® Aviation Snips

Wire Cutter Feature
Allows cutting of hardened wire --
no more nicked snip blades!
(MA70560, MA70570, MA70580)

NEW!

More Comfortable:
Softer grip gives you better
control and is easier
on your hands!

**Heat-treated and
Precision-ground Blades:**
The most durable in the industry!

Grade 8 Pivot Bolt
Adds strength!

Klenk® Aviation Snips MADE IN USA

+ DURABILITY

- Hardened alloy steel blades resist wear and breakage.
- Hardened pivot bolt provides durability.

+ EASIEST CUTTING

- Double-cam-action provides greater cutting power.
- Serrated blades draw work into cutting edge without slipping for accurate, clean cuts.
- Self-locking nuts allow easy adjustment.

+ MOST COMFORTABLE

- Maximum jaw opening provides longer cuts -- minimal handle opening is easier on your hand, and cuts quick and easy.
