Product Description

Double rod scriber w/ 7" and 13" rods. The sheet metal butt gauge scribe with 6" and 12" **ETCHED** measurements on stainless steel rods. The Double Butt Gauge is a very useful tool for scribing two different lines of measurements on any given surface, without having to stop and readjust for the second measurement. The hardened head is securely locked by two knurled clamp screws. All Parts are replaceable. Saves you time and improves accuracy
